# 9 of the best **WATERPARKS** in Ontario you need to visit this **SUMMER**

BY **DAILY****HIVE**

After a spring that never seemed to want to let go of winter, we're happy to finally start looking forward to summer!

And what better way to spend a hot, sunny day in this province than heading to a place that has something for everyone: fun, excitement, and a lazy river.

Whether you're rolling up with a car full of kids or you and your bestie just want the natural thrill of racing down an incredible waterslide, any of these Ontario water parks are exactly where you want to be spending your summer days.

Get ready to make a splash!

## **Wet'n'Wild**

The 45-acre, tropical-themed water park is one of the latest and greatest additions to the greater Toronto area. Wet'n'Wild plays home to an aquatic jungle gym, gravity-defying slides, a mini-waterpark for children, and a sports complex.

*7855 Finch Ave. W., Toronto*

## **Calypso Waterpark**

Calypso has a little something for everyone. Visitors can get their fill of adrenaline with Calypso's 'Black Hole' slide, or kick back with a floatie in Canada's largest wave pool. The waterpark also plays home to Summit Tower, the tallest waterslide tower in North America, with three different slides built to excite.

*2016 Calypso Street, Limoges*

## **Bingemans Big Splash Waterpark**

One standout attraction of Bingemans is 'the Cyclone', a massive gravity-powered slide that keeps the rider circling round and round until they drop into the splashdown pool below. Amongst the Cyclone and a number of other slides, the waterpark is a short walk away from a three-level indoor playground, an arcade, and a 28-lane bowling alley

*425 Bingemans Centre Drive, Kitchener*

## **Sherkston Shores**

Sitting on the beautiful shores of Lake Erie, the Sherkston Shores Resort has more than 560 acres to explore. Not only can visitors cool off in the pools, waterslides, and splash pad, but can try their hand at mini-golf, an aerial challenge course, and a rock wall.

*490 Empire Rd, Sherkston*

## **Canada's Wonderland**

One of Canada's renowned theme parks is not only home to 16 different roller coasters, but also to the Muskoka Plunge - a 60 ft. tall waterslide that pushes riders to speeds of over 40 km/h. In addition to over 7 different tube slides and a lazy river, the park will also be adding in two new rides and opening their new Lakeside Lagoon in time for Summer 2018.

*1 Canada's Wonderland Drive, Vaughan*

## **Wild Waterworks**

Between one of Canada's largest outdoor wave pools and body slides that sits at six-stories high, Wild Waterworks is the place to go in Hamilton to cool off. For those who want a lazy summer day without the scorching heat, their 'Easy River' takes riders on a scenic and self-propelled tube ride as they kick back and relax.

*680 Van Wagners Beach Road, Hamilton*

## **Logos Land**

Not only does Logos Land offer its fair share of giant waterslides, kiddie slides, water trampolines, and a splash pad, but they have plenty to entertain when visitors are out of the water as well. In between slides, guests can try their hand at mini golf, volleyball, kayaking, or a stand-up paddleboard.

*15906 Highway 17, Cobden*

## **Cedar Park Resort**

The popular summer campground also hosts three large slides that stand several stories high, a water park with jets, waterfalls, and a massive bucket, as well as splash pads and resort pools. Or, for when you're between slides, an 18-hole mini golf course to see who the best golfer is.

*6296 Cedar Park Road, Bomerville*

## **East Park Waterpark**

The latest addition to the seven waterslides at East Park - including their 55' high bullet slide - will be a state-of-the-art wave pool set to open for summer of 2018. Those who need a break from the water will enjoy the Go-Karts, batting cages, and driving range.

*1275 Hamilton Rd, London*

# Ultimate **FAMILY** Road Trip

BY CHUCK THIBEAULT

TreeTop Trekking

**York, Durham and Headwaters** ([yorkdurhamheadwaters.ca](http://yorkdurhamheadwaters.ca)) is your ultimate family road trip destination. Regardless of season, the region boasts lots of excuses to jump in the car and drive.

To position yourself geographically, if you think of Toronto as a piece of carrot cake, then York, Durham and Headwaters (YDH) is the rich, delicious cream cheese icing covering it. The region boasts a fantastic juxtaposition of urban and rural settings, letting you set the pace and tone of your adventure – and has something for everyone in your family.

**Canada's Wonderland** is a family favourite and boast thrills, entertainment and lots of ways to get wet on a hot summer day. Those looking to challenge their skills (and/or face their fears) will love spending time at the top of the forest at **TreeTop Eco-Adventure Park** and **TreeTop Trekking**, dangling from a rope at **Of Rock and Chalk** or defying gravity at **Sky Zone**.

For the curious-minded, **Legoland Discovery Centre Toronto**, **Black Creek Pioneer Village** and **Jungle Cat World** sneak in learning in a fun and immersive way. Or watch the scenery roll by on the **York Durham Heritage Railway** and **South Simcoe Railway**. Family road trips are incredible memory builders and can include at least one stop along the way for each person in the vehicle.

These are just some of the hundreds of amazing places to see and visit in York, Durham and Headwaters. Pair some of your must-see/do experiences with the food, world-class shopping (like **Vaughan Mills**) and great accommodations – from camping to five-star hotels and resorts – and you have one super-fun road trip. The place to start planning your customized road trip is at [yorkdurhamheadwaters.ca](http://yorkdurhamheadwaters.ca). They have several suggested itineraries and you also build your own road trip to suit your family. Whether you are coming for a day or spending a week, you will not run out of places to visit and things to do.

You don't have to travel far to experience something new and unique. When you have a piece of carrot cake, sometimes the best place to start is with the icing. Follow along using your favourite social media platform. Facebook/Instagram/Pinterest (@YorkDurhamHeadwaters), Twitter (@YDHTourism)

# EXPLORE *Waterloo Region*

# Experience family fun in WATERLOO REGION

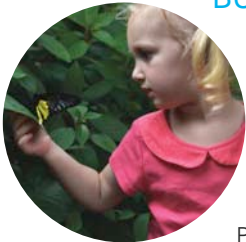

BY JAMIE ROSS

When you think of the Waterloo Region in Ontario's heartland, what comes to mind? Well, it's a university town and a tech heaven, but who knew that this region, just an hour west of Toronto, is also a popular family getaway hotspot, where a variety of attractions and adventures await? Head there for a day or a weekend, and experience a train-load of fun; visit a water park or a museum, do some bowling or devour candied crickets at a butterfly conservatory.

turtles and fish, the conservatory is a nature lover's dream. Don't miss the honeybee observation hive – and if you visit during March Break, you will have the opportunity to put your taste buds to the test with samples of insect recipes.

## BUTTERFLIES FLY FREE

"Think of the Cambridge Butterfly Conservatory as a tropical escape," says conservatory board chair, Doug Wilson. With some 2,000 free-flying butterflies imported from Costa Rica and the Philippines, the inviting enclave is indeed an escape. With its cascading waterfalls, 150 species of plants, plenty of birds, bugs,

## A LOOK INTO HISTORY

Waterloo Region Museum exhibits tell the story of Waterloo Region and the feature gallery showcases travelling exhibits from home and around the world. Doon Heritage Village, located at the Waterloo Region Museum in Kitchener, is a living history village that shows what life was like in the year 1914. Joseph Schneider Haus, a National Historic Site, is a farm house built by one of the area's early Pennsylvania-German Mennonite settlers. McDougall Cottage, located in the historic factory district of Cambridge, is an 1858 worker's home that celebrates the area's Scottish heritage.

## ALL ABOARD

Embrace the spirit of adventure and hop on the Waterloo Central Railway! The railway offers regular summer shuttles from the St. Jacobs Farmers' market with a journey through Mennonite country stopping at the Village of St. Jacobs, continuing onwards to the quaint town of Elmira. Pick your coach and experience train travel like a 1920's passenger or a 1950's vacationer. With whistle blowing, the train arrives at St. Jacob's station, where you can see the "Dirty Hands Club" repairing and restoring various trains, including Steam Engine Number 9.

## ALL FUN & GAMES

Visit the Big Splash at Bingemans, the region's largest water park. Afterwards, join a game of beach volleyball, play mini-putt, venture into the 60-acre paintball area, or head indoors to toss a few balls at Bingemans Kingpin Bowlounge. Grab some nibbles at the on-site Boston Pizza and just have fun.
