WELCOME TO

Langkawi

A luxury suite overlooking an island-studded sea. A private bungalow on a secluded white sand beach framed by coconut palms. A five-star indulgence in the midst of tropical rainforest. A boutique hotel set in a tropical garden, or designed in a striking vernacular style. From world-class brands to local icons...

In Langkawi, paradise 'Isle of Legends', and 'Jewel of Kedah', the options are seemingly endless.

Langkawi is also a major international destination for corporate events such as conventions and exhibitions. An ideal venue for business functions in an unforgettable tropical island setting.

But no matter where you choose to stay, there will always be one constant: the graciousness, warmth and hospitality of your hosts will make an indelible impression upon you, and will be one of the reasons you will want to return again and again.
